Leadership Compensation Bands - FY2025

Approved by the Compensation Committee on 15 February 2025

Classification: Restricted

1. Purpose

This document sets out the base salary bands and annual bonus targets for leadership roles at Kitewing Software for the 2025 financial year. It is used by the People Team and hiring managers when making offers, promotions and annual pay decisions for leadership roles.

2. Salary bands and bonus targets

Manager

Base salary band for a Manager: US $135,000 to $165,000; UK £85,000 to £105,000. Annual bonus target: 10% of base salary.

Senior Manager

Base salary band for a Senior Manager: US $160,000 to $195,000; UK £100,000 to £125,000. Annual bonus target: 15% of base salary.

Director

Base salary band for a Director: US $185,000 to $230,000; UK £125,000 to £155,000. Annual bonus target: 20% of base salary.

Senior Director

Base salary band for a Senior Director: US $215,000 to $265,000; UK £145,000 to £180,000. Annual bonus target: 25% of base salary.

Vice President

Base salary band for a Vice President: US $240,000 to $300,000; UK £165,000 to £205,000. Annual bonus target: 30% of base salary.

Chief Officer (C-level)

Base salary band for a Chief Officer: US $310,000 to $420,000; UK £210,000 to £285,000. Annual bonus target: 40% of base salary.

3. Positioning within the band

New hires normally start between the minimum and the midpoint of the band. Offers above the midpoint need approval from the Chief People Officer. Annual increases are based on performance and position in band, and are approved by the Compensation Committee each March.

4. Equity

Leadership roles are eligible for an annual equity refresh grant. Refresh grants vest over four years, with 25% vesting after the first year and the rest vesting quarterly.

5. Handling this document

This document is classified Restricted under the Information Security Policy. Do not forward it, print it, or

store it outside the Total Rewards folder. Questions should go to the Total Rewards team, not to line managers.
